EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Atty. Thomas Kocovsky on 5/8/2006.

The application has been amended as follows:

In claim 12, line 4, "service" has been deleted and --source-- inserted therefor. In lines 8 and 10, --first-- has been inserted prior to "duct". In line 12, "passing through the duct" has been deleted.

In claim 33, line 14, the first recitation of "with" has been deleted.

The following is an examiner's statement of reasons for allowance: the closest prior art of record, namely Cummings et al., and Edwards et al., fail to teach or suggest the provision of two different sources of carrier gases connected to the vaporizer and duct means as required in the instant independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
